1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Stephanie Felicetty on November 29, 2007.

The application has been amended as follows:

Cancel claim 36.

2. The following is an examiner's statement of reasons for allowance: The IDS filed 11-2-07 has been considered. Japanese document 5-105868 fails to teach or fairly the claimed composite having a fibrous structure. WO98/24737 teaches a non-oxide ceramic fiber rather than a fiber comprising one of carbon, polyacrylonitrile or rayon as required by the claims. WO 02/28801 fails to teach or fairly suggest a residual silicon content less 5 volume %.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Karl E. Group whose telephone number is 571-272-1368. The examiner can normally be reached on M-F (6:30-4:00) First Friday Off.
